# Contour™ Overnight Backpack

*The backpack that flies through security*

K62594AM

## Product Description

The checkpoint friendly Kensington Contour™ Overnight Backpack allows you to pass through security without having to remove your laptop. Simply unzip the backpack, lay it flat and let it pass through the X-ray machine. There's a built-in liquids pouch, too. When it comes out the other side, give the Contour Backpack one quick zip and go. It's also the perfect size for airline travel whether on a quick business trip or overnighter. You'll find plenty of room for clothes, laptop and your business essentials without being too bulky.
